## SAN ANTONIO TRIP CONTRACT

Trip Date: April 9-11

Please read the following information very carefully

It's hard to believe we have to start thinking about the spring trip to San Antonio now but we do! Tour-riffic of Texas (our travel agent) and the band directors have put together a wonderful performance trip to San Antonio on April 9-11, 2010. Working with large groups and taking them out of the city requires a great deal of pre-planning. We have estimated that 80 students would be attending this trip, so our first BILL has already come in for charter bus deposits and contest entry fees. Although this trip is not required, it is HIGHLY encouraged for all band students. We have entered both the Concert and Symphonic Bands in the Choice Music Festivals contest which will take place during the trip. Please see the attached trip information for details on the trip. Please note that the San Antonio trip is NOT included with the activity fee.

---

In order for my son/daughter to receive a reserved spot for the spring trip, I agree to pay whatever amount he or she has not earned through fundraising. The deadlines of payment are broken as follows:

October 1, 2009:	\$75 must be in student account through fundraising, or direct payment by parent
November 2, 2009:	\$150 TOTAL (\$75 payment) must be in the student account through fundraising, or direct payment by parent
December 1, 2009	\$225 TOTAL (\$75 payment) must be in the student account through fundraising, or direct payment by parent
January 7, 2010	\$300 TOTAL (\$75 payment) must be in the student account through fundraising, or direct payment by parent
February 1, 2010	\$351 TOTAL (\$51 payment) must be in the student account through fundraising, or direct payment by parent

By signing this contract, I understand that the total cost of travel and board of the San Antonio trip will be \$351. I also understand that there will be a minimum of three fundraising activities that will be offered before the month of January that students can participate in to pay for a portion or the entire cost of the trip. By signing this contract, I **guarantee** that in the event my son/daughter does not raise \$351, I will pay whatever is necessary to achieve that balance by the due dates set above. By signing this contract, you are reserving your son/daughter an official spot on the trip. All money turned in for the trip is not refundable for any reason.
